

Weekend excursion 2

2-day programme - Camargue / Little Camargue

Arrival in the evening, hotel check-in.

Day 1: in the morning, familiarisation with the horses and Camargue riding style, 2.5h ride to the eastern beaches/grand tour of the Étang des Impériaux. Camargue-style aperitif at the riding centre. In the afternoon, 2.5h ride to the lagoons and marshlands and the banks of the Petit Rhône, crossing the river to reach the Mas de la Pinède where the horses will spend the night. The riders are taken back to the hotel in an off-road vehicle.

Day 2: Return to the Mas de la Pinède in the early morning to saddle up the horses and visit the Mas on horseback. The property stretches across some 800 hectares and is home to a herd of Camargue bulls that are bred here and live as if in the wild. While helping the Gardians to gather the herd, we can observe the skill of the Camargue horses at work amongst the livestock. Aperitif and lunch at the Mas. We set off on horseback in the afternoon, crossing the Petit Rhône to arrive back at the riding centre in the evening.

The programme includes:

Day 1 familiarisation with the horses and Camargue riding style + 2.5h morning ride, Camargue-style aperitif, 2.5h afternoon ride

Day 2 visit of the Mas, herding the bulls on horseback, aperitif, lunch, afternoon ride

Transfers from the hotel to the Mas and vice versa days 1 and 2

This programme is not suitable for beginners due to the length of the rides
